About Trading Tech Insight Awards USA 2024

Congratulations to the winners of A-Team Group's TradingTech Insight Awards USA 2024. These awards recognise excellence in trading solutions, services and consultancy for capital markets, and focus on vendors providing exceptional trading infrastructure, trading technology, and data solutions. The awards were presented during a celebratory drinks reception after the close of A-Team Group's TradingTech Briefing in New York City on 6 June 2024.

This year's awards included more than 40 categories ranging from Best Matching Engine for Cryptocurrency Trading Venues to Best High Performance Network Services, Best Equities Trading Solution, Best Machine-Readable News Supplier, Best AI Solution for Trading, Best Trade Reporting Solution, Best Overall Market Data Provider, Best Specialist Market Data Consultancy and more.

An editor's recognition award for USA Trading Technology Industry Professional of the Year was presented to Steve Schiff, Vice President, Index Technology at Nasdaq.

Thank you to all the vendors that entered A-Team Group's TradingTech Insight Awards USA 2024, to our TradingTech Insight community that voted for its preferred solutions, and to our independent, expert advisory board that worked in collaboration with our editorial team to select this year's winners.

Finally, our compliments to all the award winners, who should be deservedly proud of their achievement in a closely fought and highly competitive contest.

If you would like your company to be considered for future TradingTech Insight Awards in Europe or the USA, [click here](#), where you can either enter your details to be notified when we open for nominations, or submit your entry if we are already open for nominations.
